DECLARATION of IRINA BUHIMSCHI

The cited reference, Buhimschi, et al. Radiation Oxidation State (Redox) Regulation of Matrix-Metalloprotease Activity in Human Fetal Membranes, Am J Obstet Gynecol, January 1999, Abstract 438:5128, was first publicly distributed at the Society for Maternal Fetal Medicine on January 21, 1999, less than one year before the filing of U.S. Provisional Patent Application Serial No. 60/176,575, filed January 18, 2000. The present application claims priority to US Serial No. 60/176,576.

Therefore, the 1999 publication may not be cited as prior art.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application of any patent issued thereon.
